Please read these instructions very carefully as it outlines the necessary steps you must undertake in order to receive your loan aid for the upcoming year.

**Note to 2Ls and 3Ls:** If you borrowed direct loans last year, you do not need to complete another entrance counseling session or new Stafford and Plus promissory notes. The Perkins promissory note, however, must be accepted annually. You will receive an email from signmyloan@signmyloan.com (University Accounting Services) to complete this process. You must also provide us with the Loan Request Form in order for your loans to be processed.

**Choose Your Loans**

**Federal Perkins Loan.** This is a federal loan program administered by Stanford University. The Perkins loan has a fixed interest rate at 5.0% which is subsidized by the government while you are in school and for 9 months after you drop below half-time enrollment. More information on required loan documents will be provided by University Accounting Services via email in August. It is highly likely that the 2015-2016 academic year will be the only year the Perkins Loan will be available for first-time borrowers here at SLS. Note that the Perkins Promissory Note must be signed so that funds can be disbursed by October 1, 2015. If funds are not disbursed by that date, no Perkins funding will be available to you. Please make sure you have completed all paperwork for this loan by August 31, 2015 to ensure smooth and timely processing.

* Indicate that you wish to borrow the Federal Perkins Loan on the Loan Request Form.
